Phonics A to Z 288 pgs. | \$24.99 (9)

The easy-to-use practice and review pages in *Phonics A to Z* support the science of reading and are the perfect way to target phonics skills that children need to master to become fluent readers, accurate spellers, and independent writers in the early years of schooling and beyond.

Phonics A to Z is designed to help children become proficient with word recognition skills essential for reading success.

Word recognition skills include:

- Phonological and phonemic awareness
- Phonics and decoding skills
- Automatic recognition of common words and sight words
- Ability to read/decode words that don't follow common spelling patterns or phonetically irregular words

The simple decodable text and common words in the color-andread stories enable children to put their learning into action and apply their skills to real reading.

CTP 10839

PreK STEAM 184 pqs. | \$19.99 ()

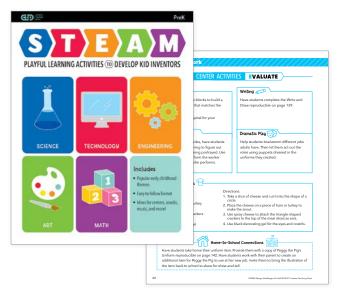

Playful Learning Activities to Develop Kid Inventors

The activities in this book are grounded in popular early childhood themes and based on common PreK foundational skills that will promote learning success. Engage children's curiosity about the world around them and how things work with the fun problem-solving scenario in each lesson. Through play, art, language, math, and more, children will delight in becoming mini inventors.

Engaging STEAM activities:

- Integrate early learning foundational skills and standards from multiple disciplines
- Enhance learning across various disciplines
- Facilitate students in collaborating to solve real-world scenarios
- · Promote critical and reflective thinking

CTP 10265

STEAM Design Challenges (9)

Each book includes a year's worth of lessons! • Gr. K-8

- Fun and engaging STEAM lessons promote analytical and reflective thinking
- Students collaborate to solve real-world design challenges
- · Lessons enhance learning across various disciplines and integrate National Standards
- · All lessons are written by teachers and classroom tested
- Perfect for Makerspace

Cut & Paste ABCs @

Alphabet Activities and Mini-Books • Gr. K-1

Discover how short and simple alphabet activities can yield BIG results for your beginning readers! Use the interactive activities featured in this book to help students with crucial early literacy skills: phonemic awareness, phonics, letter recognition, letter formation/printing, small motor development, and vocabulary development. 64 pages.

CTP 8600.....\$12.99

Cut & Paste Sight Word Sentences @*

Over 100 Sight Words Featured • Gr. K-1

Use the more than 100 sight words featured in this book to help students with crucial early literacy skills, including reinforcing sight word recognition, sentence structure, vocabulary development, and higher level comprehension skills. The unique, hands-on approach of the activity pages gives students the opportunity to master over 100 sight words. Students tackle each scrambled sight word sentence word by word, put the words in the correct order, and then practice reading the words within the context of the sentence. Students complete the illustration to help demonstrate their comprehension of the sentence. Designed for small-group instruction. 64 pages.

CTP 7180.....\$12.99

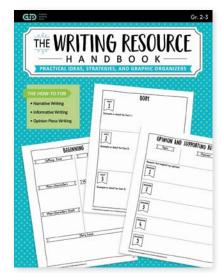

Writing Resource Handbooks | \$12.99 each 3

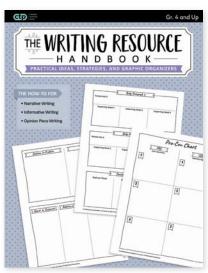

Looking for a way to build a community of confident, capable, and motivated writers? Implementing a systematic writing plan is crucial in achieving success.

These books are aimed at helping students express their thoughts and organize their ideas into a cohesive piece of writing and are designed to enhance students' performance in the following key areas:

- Writing fluency
- Stages of the writing process
- Genre and content knowledge
- Writing for multiple purposes
- Developing an effective writer's voice
- · Academic language and vocabulary
- Understanding writing conventions
- Increasing writing stamina

Start saving now using money you earn from allowance or receive as a gift. Save on a regular basis by putting mo in a savings account each month.

Make wise choices on how you spend your money. Cut back on unnecessary spending and impulse shopping.

When you get your first credit card, remember it's a type of loan. If you don't pay it back in full on the due date each month, you will be charged interest.

Earn money from an after-school job or allowance from chores so you learn how to handle your money responsibly as you watch your savings grow.

When you put money you've earned in a savings account, it is protected and it will pay you interest.

Make a budget to help you see whether you are spending more money than you are saving. Write down how much you spend each month on things such as fast food, clothes, video games, concert tickets, and apps.

Be a savvy shopper. Search for the lowest prices on items you want and wait for sales. Try waiting a week or two before making a purchase. You might discover you no longer want it.

Saving for something special like a new smartphone or computer? Post a picture of it where you can see it each day to remind you to put money aside to help you reach your saving goal.

When you are out with friends, resist the urge to spend money on something you really don't need. Leave your extra money

Make a list before you go shopping. This will help you avoid making impulse purchases for items you might not really
